RED CROSS DRIVE BIG SUCCESS

President Wilson asked the people of the Nation to make a Red Cross Christmas. The citizens of Redwood City have responded royally. Our town

was asked to give \$75 new members. We will exceed that number. Mrs. Cooper, who secured and encouraged the different captains and lieutenants, has

worked hard every day of the week and solicitors have been zealous in their endeavors to secure the required number.

The beam house at Frank's Tannery is a 100 per cent concern. There are forty-two employees and all of the forty-two have joined the Red Cross.

GORDON SEELY OPERATED UPON FOR APPENDICITIS

Gordon Seely, young son of Judge George E. Seely, was operated upon at the Redwood City hospital on Wednesday for appendicitis. Dr. Chapin performed the operation, assisted by Dr. J. L. Young Seely is the chief clerk and stenographer in the law offices of Attorney J. J. Bullock and is studying law. He is an exceptionally bright young man, and has a bright future in the profession he has adopted to be his life work.

DR. ROY AND MRS. WOODHAMS LEAVE FOR CONGO FREE STATE

Dr. Roy Woodhams and Mrs. Woodhams left last Monday for the interior of the Congo Free State, Africa, where they will serve as medical missionaries. Dr. Woodhams is a graduate of Sequoia Union high school of this city and of the Hanesman Medical College of San Francisco and Mrs. Woodhams is a trained nurse who completed her course of training in a San Francisco hospital. They will be stationed far in the interior of Africa and as both have consecrated their lives to the cause of missions they should be of great service there.

FEDERAL LAWS INVOKED TO HASTEN CLOSING OF SALOONS

The ordinance passed recently by the board of supervisors compelling all saloons within five miles of Camp Fremont and outside the city limits of Redwood City to close will not go into effect until January 10th.

Major Pope, provost marshal of the camp, would not wait until that time and yesterday invoked the federal law and instructed District Attorney Swart to close up the saloons.

Late yesterday afternoon Mr. Swart closed W. A. Maloney's wholesale saloon near Redwood City, John Belmont near Menlo Park, the Wonder saloon at Portola and the Woodside bars. They will not be opened today. Owing to the continual drinking in and about the camp Major Pope was compelled to use this drastic measure.

Archbishop Hanna spoke to his audience in his characteristic way—a manner of quiet eloquence which is more appealing than commandatory—yet without emphasizing a duty of each one to fulfill his part. He said that the President in his wisdom had selected the Y. M. C. A. and the Knights of Columbus—two strong organizations dedicated to religion—to care for the morale of the men in uniform. He told of the strenuous and often monotonous life of training, and of the need of proper recreation and relaxation, pointing out the great advance this war has made in taking care of the soldier. He said, "The soldier must be so cared for that after the war is over and peace, abiding peace, is with us, the men will return home with the honor of victory, noble and pure, yes nobler, truer and purer, that they may take up the work of destiny here among us."

The Archbishop spoke tenderly of the Christmas season, of the sadness in homes which comes when separated from loved ones especially at a season given unto joy, of the mothers, wives and sisters whose hearts will be filled with sorrow, thinking of the men who were the joy and crown of their lives at other Christmas times, and who are now serving God and country. He said in part, "Do you wish to bring to them comfort and joy as a Christmas gift? Then care for their boys that they may have all they hope to have in the service to which they have dedicated themselves, and to continue to provide for the years of the war to care for them that they may come home to their mothers as good, yet better than they left. It is your highest patriotic service to help. The men are willing to give all that the earth may be a better place for you. You must so care for the boys who are offering their lives upon the altar of our country that they may bring honor to our starry flag and glory to our land."

The drive will continue until after the first week in January.

SEQUOIA HIGH SCHOOL WINS TWICE AGAINST SAN MATEO

At a meeting Monday morning the Student Body of Sequoia high school broke all athletic relations with San Mateo high school and until a satisfactory apology is received from the latter school for their unsportsmanlike conduct in the basketball game December 14th, the relations will remain severed.

San Mateo high school went down to defeat in two games last Friday at the heel of Sequoia. In the 130-pound game the Sequoia lightweights scored 26 to their opponents 15. In the main event the unlimited teams of both schools fought a hard struggle, and the Sequoians by only the hardest and most skillful playing won by a score of 23 to 22.

Last Wednesday Sequoia administered a white-washing to Palo Alto high school, winning by a score of 85 to 6. The College town players were outclassed in all departments.

Sequoia on the same evening defeated San Mateo's debating team at both ends. The score here was 3 to 0, while at San Mateo Sequoia won by a score of 2 to 1. The question, "Resolved that a form of Compulsory Military Service is Desirable with a System based on the Australian System." The debaters at Redwood were Dudley De Groot and Jessie Duggan, and the debaters at San Mateo were Blanche Ross and Robert Murray.

MRS. PALMER BRINGS DIVORCE ON GROUNDS OF DESERTION

Rita Palmer has commenced divorce proceedings in the superior court against her husband, Carl W. Palmer on the ground of desertion. The Palmers were married at Los Angeles on April 12, 1913, and separated on December 15, 1916. Mrs. Palmer asks for the custody of the minor child, Naomi Gayle Palmer, age four years, and for the sum of \$25 a month for her support. Palmer deserted his wife and child at Los Angeles on December 15, 1916. He is a station agent and telegraph operator earning \$100 a month. R. H. McGowan of Belmont is the attorney for plaintiff.

ARCHBISHOP E. J. HANNA URGES PROVISION FOR RECREATION FUNDS

Knights of Columbus hall at San Mateo was crowded to the doors last Tuesday night by people from all parts of the peninsula to hear Archbishop E. J. Hanna, who is appealing to the people for funds to maintain recreation headquarters at the cantonments. E. J. Hanna was chairman of the big meeting and in calling for subscriptions met with a hearty response. The big sum of \$5,800 was subscribed, one woman giving her check for \$1000.

Father Joseph Gleason of Palo Alto was the first speaker. He delivered an eloquent and forceful address.

Archbishop Hanna spoke to his audience in his characteristic way—a manner of quiet eloquence which is more appealing than commandatory—yet without emphasizing a duty of each one to fulfill his part. He said that the President in his wisdom had selected the Y. M. C. A. and the Knights of Columbus—two strong organizations dedicated to religion—to care for the morale of the men in uniform. He told of the strenuous and often monotonous life of training, and of the need of proper recreation and relaxation, pointing out the great advance this war has made in taking care of the soldier. The Archbishop spoke tenderly of the Christmas season, of the sadness in homes which comes when separated from loved ones especially at a season given unto joy, of the mothers, wives and sisters whose hearts will be filled with sorrow, thinking of the men who were the joy and crown of their lives at other Christmas times, and who are now serving God and country. You must so care for the boys who are offering their lives upon the altar of our country that they may bring honor to our starry flag and glory to our land."

The drive will continue until after the first week in January.

WILL CELEBRATE GOLDEN WEDDING ON JANUARY 7TH

Mr. and Mrs. John Christ will celebrate their Golden wedding at the home of their daughter, Mrs. Frank P. Wentworth on Arguello street, Monday, January 7, 1918.

Mr. and Mrs. Christ were married in San Francisco fifty years ago and came to Redwood City, made their home and reared their family here. Mr. Christ was in the wood and coal business for years and was town trustee and town marshal for several terms. Their many friends wish Mr. and Mrs. Christ many more happy years.

Masons Honor Old Member

Redwood City Lodge No. 168 F. and A. M. met last night and celebrated the 50th birthday of P. P. Chaberalain as a Mason. Fifty years ago Mr. Chaberalain became a Master Mason in Minneapolis Lodge, Minnesota. The following year, 1868, he came to California and has been a member of Redwood City Lodge ever since. He has held every office in the local Masonic Lodge and filled the Master's chair during seven different years.

FIFTEEN BUILDING BLOCKS ARE PLACED ON MARKET

Redwood City is to be congratulated on the fact that fifteen blocks containing hundreds of fine building lots, many of which have complete street improvements installed, are being offered for sale by the Redwood Realty Company and Dave L. Walter at prices which are less than one-half of what the property was formerly sold for.

The selling agents report a considerable number of inquiries, and have made several sales and are expecting a number of cottages and bungalows will be erected there shortly after the first of the year. It certainly is fortunate that Redwood City has building lots with all street improvements complete, that can be purchased at prices of \$200 to \$225 per lot, which are the prices that a great many of the lots are being offered at. In another part of the paper a detailed statement is printed.

GRADUATING EXERCISES OF GRAMMAR SCHOOL PUPILS

The graduating exercises of the Redwood City grammar school were held in the Sequoia theatre yesterday afternoon. A most interesting program was rendered by the pupils.

Mr. A. E. Montelth, principal of the school presided and talked to the parents and pupils of what had been accomplished and what he hoped would be accomplished in the local school during the coming years.

County Superintendent of Schools, Roy W. Cloud then made a short graduation address to the pupils.

The full list of graduates is as follows:

Dorothy June Borgeson, Julia Agnes Cramer, Lillian H. Goertzhain, Helen Louise Heiner, Evelyn Heydenfeldt, Gertrude E. Hoffman, Nyda E. Lampkin, Mercedes Pearce, Lenore H. Roussel, Alma C. Thompson, Martha M. Thompson, Phyllis Tribble, J. Maury Cowgill, Charles W. Gregg, John H. Helsner, Edward Neal McGittigan, Frederick W. Myer, John H. Poole, Robert F. Walsh and George Wentworth.

LOCAL GREYHOUNDS MAKE SHOWING AT SACRAMENTO

San Mateo County greyhounds more than held their own with some of the best dogs in the state during the running of the California Puppy Stake at Sacramento last Sunday.

Irwin McKnight of Menlo Park, and J. McGrath of San Mateo, both had entries in the stake, all of which made creditable showings. "Ione", a daughter of "Alone", a Redwood City dog and raised by McKnight, created a sensation by easily disposing of "Threads of Gold", one of the fastest hounds on the coast, and a dog which made a grand showing at Merced a month ago in competition with hounds from all over the United States. "Ione" would in all probability have captured the stake, had she not had the misfortune to encounter a fluky hare in her second course. The dogs were slipped close to a fence, and before they were well under way, the rabbit shot through a hole in the fence where the dogs were unable to follow. The other dog, however, was first to find an opening, and was declared the winner.

McGrath's entry in the stake won her first course in impressive style, but was also forced to go through a fence, in doing which she was slightly cut on the leg, and her owner thought best to withdraw her from further running.

A number of cursing enthusiasts from Redwood City, Menlo Park and San Mateo, were on hand to witness a fine day's sport.

STRINGENT REGULATIONS UNDER TOWN TRUSTEES' CONSIDERATION

Although but three trustees were present at the regular session of the city council Monday evening, the meeting was in some respects an important one in its results, steps being taken which will result in the still closer drawing of the lines surrounding the sale of liquor and the entire elimination of gambling. The absentees from the meeting were trustees Merrill and Sampson, and in the absence of Mayor Sampson Trustee Tuchen was chosen to preside.

As the result of a recent conference with Major Pope, two new ordinances had been prepared by City Attorney Mansfield and were introduced and after some discussion were passed to their first reading and made ready for adoption at the next meeting. Both carry emergency clauses and will become effective as soon as finally adopted.

The first of these is in addition to and makes the prohibition much more stringent, thus making it possible for the police to more readily enforce the law. Under the provisions of this ordinance gambling of all kinds will be practically eliminated unless the playing of a friendly game for cigars or drinks can be classed as gambling. The ordinance will prohibit the playing of any game of chance for money or for any article redeemable in cash, whether it be checks or other evidences of debt.

The new liquor ordinance will practically make the furnishing of liquor to soldiers an impossibility unless the liquor is first obtained elsewhere than in the city. The sale of liquor by saloons in quantities to be taken from the premises will be prohibited at all hours, instead of only during the evening as at present. Wholesalers and grocery dealers will be allowed to sell only in quantities to be delivered by themselves or employees at bona fide residences or to retail dealers. When sales of this character are made a record must be kept of the quantity sold and the date and place of delivery and the name of the party to whom delivered. No sales can be made to individuals to be carried from the place by themselves. In other words, if you want liquor at home you must order it delivered, not carry it home. This will render the sale to irresponsible parties an almost impossibility. The sale of liquor in restaurants will also be much more strongly restricted, as under the new law the serving of liquor to patrons with meals will be restricted to the open dining room, the service in boxes or booths being prohibited.

City Clerk Complimented
City Clerk W. A. Price was made the recipient of a handsome compliment for his official conduct at the hands of expert accountant W. J. Kidd, who has completed the annual audit of the books of the city officers. After reporting that the books of all officers had been found to be correct, accountant Kidd complimented especially Clerk Price for the "careful and painstaking manner in which he had kept the records and books of his office."

Beyond these matters the business considered was purely of a routine nature, no new matters being introduced.

Two applications for permits to hold all night dances were presented and allowed without opposition. Redwood City Aerie was allowed a permit to hold a dance at Foresters hall on the evening of December 29th and Daniel Lynch was given a permit to hold a dance at the same place on New Year's Eve.

City Attorney Mansfield was directed to serve notice on a number of property owners to construct concrete sidewalks. Unless these notices are heeded without delay the work will be done under public proceedings.

The ordinance increasing the license of junk dealers to \$50 per year was given its final reading and adopted.

City Clerk Price was given authority to purchase ten traffic direction signs to be placed at street intersections where there is danger of congestion of automobile travel.

C. Ahlborn presented an application for the issuance to him of a saloon license for the Hotel Sequoia bar, the license of which had been revoked for the sale of liquor to a soldier. As notice of intention to present the application had not been advertised as required by the ordinance, consideration of the application was postponed until a future date.

Several drivers of jitney bus lines to Camp Fremont were before the council accused of charging more than the established rate of 10 cents for the trip. Excuses offered succeeded in warding off action, but the drivers were given a strong warning that in the future the charge for fare authorized in their permits must be adhered to. The prevailing sentiment of the trustees present evidently is that the soldiers of Camp Fremont are entitled to a reasonable charge for transportation to this city and that the present rate would be adhered to in the future.

What an Opportunity for a Christmas trip worth while

Why not visit the old folks at home? Next year conditions may be such that you can not—and you owe it to them.

For those without home folks to visit there are places such as

Santa Cruz, Del Monte, Byron Hot Springs, The Los Angeles Beaches, San Diego and others where the holiday may be happily spent—or what better, if you are so inclined, than a few days in the fields or marshes with the quail or ducks.

The Gift of His Dreams

—a Harley-Davidson Bicycle

EVERY boy dreams of the day when he will have a new "bike" just as he dreams of the day when he'll be a man. Didn't you dream those dreams when you were his age? Can't you recall that inexpressible gratitude which surged through your boyish heart when your dad saw the yearning in your eyes and Christmas morning brought you a "bike"?

You're tired of dreaming now of spring and a Harley-Davidson—built in the same sturdy manner which has made the Harley-Davidson motorcycle the Master Mount for sixteen years. Will he ride with the rest of the boys?

With a Harley-Davidson bicycle, fresh air and sunshine, woods and fields are his. Help him answer that instinctive call of the great out-of-doors.

Let the Christmas gift from his dad be a bicycle—see the joy in his eyes when he finds it's a Harley-Davidson. Did you ever think what a bicycle and the out-of-doors can do for a young girl's health?

There's a Harley-Davidson for every member of the family.

Predicts Bright Future for Redwood
Dave L. Walter is now located at 208 Main street, Hotel Sequoia building, having taken offices with the Redwood City Realty Co., and he reports considerable activity in the real estate business. He is very much smitten with the wonderful climate we have and foresees a great future in a business way for Redwood City and surrounding country. He says a place so favorably situated as regards railroad and water transportation, manufacturing possibilities and climate and good schools justifies the prediction that a large increase of population is sure to be realized and that very shortly, therefore he is glad of the opportunity of locating in our midst.

REPORT OF SESSION OF SUPERVISORS

The board of supervisors met in regular session Monday, Dec. 17th at 10 a. m. there being present Dr. C. V. Thompson, president, T. L. Hickey, John MacBain and Jos. M. Francis. Absent Supervisor W. H. Brown.

Attorney Arthur Reddington of Hillsborough appeared before the board in the matter of the application of certain residents of that place for permission to annex certain uninhabited territory to the Town of Hillsborough, the hearing for which was set for this day. Attorney Reddington stated that the necessary notices had been published in the matter and there being no objections or protests filed to the application, the board, on motion of MacBain, seconded by Hickey, adopted a resolution granting the application to annex the above territory.

Attorney Hall C. Ross, representing Ansel M. Easton of Hillsborough, appeared before the board in the matter of the latter's application, heretofore submitted, for a permit to operate an automobile bus from the Southern Pacific depot in the City of Burlingame to Alvarado avenue, back of Hillsborough, the proposed route of which took in seven blocks of territory outside the corporate limits of the city of Burlingame and which is under the jurisdiction of the county. This being the time set for the hearing of the application, Attorney Ross stated that the necessary notices had been published as required by law and that the application for the permit had been filed with the Railroad Commissioners.

Rufus H. Kimball, representing the Easton Improvement Association, which organization had on file with the clerk of the board an answer to the application of Easton for the permit, followed Attorney Ross and stated that the above association was heartily in favor of the proposition, providing that the property owners and the probable users of the busses would be granted proper and reasonable service. Among the things asked for by Kimball was that four busses in addition to those mentioned in the application be put on by Easton to meet certain trains. Kimball also asked that Easton be required to furnish the county a bond in the sum of \$5,000, as a protection to the property owners, relative to guaranteeing service until the expiration of the franchise in 1946.

Replying to Kimball, Attorney Ross explained that all the matters referred to by the latter are now in the hands of the Railroad Commission. The franchise held by Easton was merely for the City of Burlingame, none having been granted by the county over the seven blocks back of Easton, which is private property. He stated that he would not agree to the furnishing of the \$5,000 bond asked by Kimball.

To get the matter properly before the board, Supervisor MacBain said he would move that the application of Easton be granted. The motion failed to meet with a second, and after further discussion, it was decided to continue the matter until the afternoon session, Attorney Ross and Kimball agreeing to get together at the noon session and endeavor to settle the differences.

Attorney Jos. H. Gordon of San Mateo, representing E. H. Sundberg, the contractor for the construction of the streets and sidewalk work in the Lomita Park Improvement district, appeared before the board in the hearing set for this time to show that the work had been completed, so that the bonds could be issued.

Ralph H. Crawford, superintendent in charge of the above work, was sworn next and testified as to the completion of that part of the contract.

E. H. Sundberg, the contractor, was sworn and testified that he had completed the contract, the cost of which was \$34,290.75, with incidental expenses of \$2,973.06.

Attorney Ross explained that he and Mr. Kimball had agreed upon satisfactory settlement of the differences regarding the Easton matter, which had been laid over from the morning session, and a resolution prepared by Attorney Ross and containing certain additional provisions, which the latter stated were agreeable to Kimball, was thereupon adopted, on motion of Hickey, seconded by Francis, granting Easton's application for a permit to operate busses over the territory asked for.

A communication was received from County Surveyor J. V. Neuman in which he notified the board that he had completed the ditch at Atherton for carrying off the storm waters and giving an itemized report of expenditures for the work, the total cost of which was \$1,528.98. The report was received and ordered filed.

A petition of J. R. Doyle and other taxpayers of the Menlo Park Lighted District, asking for the installation of two additional lights on Ravenswood avenue, between Laurel and Railroad avenues, was granted on motion of MacBain, seconded by Hickey.

A communication was received from Elsie A. Hobe and other residents of Stanford Park, asking the board to take some action to prevent the running at large of stray stock on the county road in front of their property.

In reference to the above, Supervisor MacBain stated that he had been unable to get the poundmaster who is located in Redwood City to go to Stanford Park.

MANY MOURN PASSING OF BRIGHT YOUNG MAN

The truth of the old saying that death loves a shining man was fully exemplified in the untimely and tragic death of John Joseph Murray at San Diego on Tuesday morning last following an operation for appendicitis.

Some months ago the young man, in his patriotic zeal, enlisted in the naval reserve and awaited his assignment. On November 29th he left for the naval training station at San Diego. He went away bearing a smile, cheerful and happy in the thought that he was going forth to serve his country and battle for the flag of freedom and democracy little dreaming that he would shortly be called to report to the Chief Commander in the great beyond where wars, sufferings and misery are unknown and where peace and happiness have an abiding place always.

On arriving at the naval station he began guard duty. On December 12th he was operated upon for appendicitis. Apparently the operation was not performed soon enough as peritonitis had set in. Last Friday the young man's father was sent for and on arriving at the bedside of his son soon learned of the hopelessness of the case. The young man was boyant in spirit but finally passed away at 4 o'clock Tuesday morning. The body arrived here on Wednesday and hundreds of people viewed the remains at the home of his father, J. J. Murray at Stanford Park that evening.

Thursday morning the body was borne to the Church of the Nativity, escorted by a guard of soldiers from Camp Fremont in full military uniform. Proceeding there were members of Menlo Parlor, N. S. G. W. which order the deceased had affiliated with for several years. At the church a solemn high mass was celebrated. A special choir rendered the music. The edifice was packed with friends of the deceased which showed the esteem and respect in which the young man was held by those who knew him from childhood. The extreme sadness and solemnity of the occasion caused copious tears to flow. All who attended the services left with moistened eyes and thoughts of the great world's conflict in progress.

A large concourse of people followed the remains to Holy Cross Cemetery where the committal service of the Catholic church was read. There followed the impressive burial ceremony of the Native Sons. The military guard fired three volleys over the new made grave and the bugler sounded "taps" and all was over. John Joseph Murray was consigned to his last resting place.

Mr. Murray was born at Menlo Park twenty-three years ago and grew to manhood there. He was a most exemplary young man, steady in his habits, a model in his moral bearing and universally liked and admired.

The deceased graduated from the San Jose high school some years ago. He was a prominent member of the

Knights of Columbus and Native Sons.

The following boyhood friends acted as pallbearers: Joseph Nash, John O'Brien, Clement Shields, Roy Hookabout, David Flynn, James Burke, George Walsh and W. Evans.

Royal U. He may be transferred later to the Flying Section, as he passed the examination for "flyer" before he received his commission.

Attorney John D. Gish, formerly of Woodside, has gone to Sutter county where he has taken up 160 acres of land on which he will raise rice.

The Sunday school gave \$6 to the Belgian Relief fund last Sunday and recently sent \$5 to the work of the Army Y. M. C. A. Besides this the church has given \$50 to Armenian and Syrian relief and during this week has made a drive for Red Cross membership, under the leadership of Mrs. Harriet Zane, chairman of the Committee for Woodside.

IS IT RHEUMATISM?

Aren't You Really On the Wrong Track?

A good share of so-called rheumatism is caused by weak kidneys. When the kidneys fail to clear the blood of uric acid, the acid irritates the delicate nerves. Torturing pains dart through the affected part whenever it is moved. By strengthening the kidneys, Doan's Kidney Pills have proven their worth in thousands of so-called rheumatic cases, lumbago, sciatica, gravel, and urinary disorders. Doan's are well-known in Redwood City and warmly recommended by Redwood City people. Read this Redwood City case.

H. Michael, 167 Jefferson st., says "About six months ago I was all crippled up with rheumatic pains. I had such severe pains in my kidneys and across my loins I could hardly get up or down. My kidneys acted too frequently making me get up at night to pass the kidney secretions which were highly colored. I had dizzy spells. I heard about Doan's Kidney Pills and got some from the Pioneer Drug Store. Three boxes gave me great relief and soon put me on my feet again."

Some Facts Regarding Gas Heating

Gas heating systems of today are very different from those of a few years ago.

Today they are beyond question the healthiest, most convenient and most truly economical of systems.

Objectionable features of former systems have been wholly eliminated in connection with gas fuel.

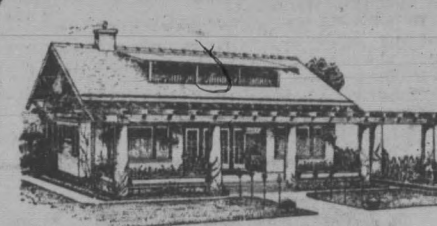

The Rector gas heating system is instantly started or stopped by merely pressing a button and is entirely automatic in action. Other systems require but the application of a match.

The cost of operation is very reasonable, in most cases less than that of systems using solid fuel.

There are other advantages too numerous to mention here which it is in your interest to know.
